Title: Experiential Education Coach

Reports to: Head of Experiential Coaching

Functional Responsibilities: Teacher development and coaching

EMBARC BACKGROUND:

Embarc’s mission is to create a more just and equitable educational experience and cultivate post-secondary success by inspiring students to build their social capital, stretch the boundaries of their neighborhood, alter their worldview, and seize opportunities in school and life. Embarc is regarded as one of the most exciting nonprofits in Chicago that specializes in combining a robust curriculum with immersive, hands-on learning experiences that connect students to multiple sectors of the Chicago community to drive academic skills and close the opportunity gap.

Since its inception in 2010, Embarc has served nearly 8,000 students who have achieved an average 95% graduation rate and 90% overall postsecondary success. Embarc has grown from serving 25 students in 2010 to nearly 4,000 students in the 2023-2024 school year in 18 high schools across Chicago Public Schools (CPS).

POSITION OVERVIEW:

The Experiential Education Coach (EEC) assists in overseeing the experiential educational aspect of Embarc to ensure the quality and efficacy of the program. This includes designing and implementing professional development; monitoring and supporting teachers through classroom visits, coaching conversations, modeling and co-instructing curriculum for students; monitoring student performance data; developing systems to increase the capacity of school-based lead teachers and administration teams to incorporate experiential learning as part of the culture of their schools; and keeping the Head of Experiential Coaching informed in these areas. To accomplish these tasks, the EEC works closely with teachers, students, administrators, the community, school staff, Embarc program managers, and CPS as needed. The EEC reports to the Head of Experiential Coaching.

To ensure success in this role, candidates should have a deep belief in our collective ability to innovate in educational spaces to be able to provide a robust and evolving education that every child deserves. Candidates should feel comfortable engaging in spaces with both youth and adults, and see the assets in all stakeholders that can lead to shifts in mindsets, behaviors, and beliefs to create a more just and equitable education system. This job requires you to be flexible and adaptable. In this role you will conduct work in person and virtually, you will work on some projects collaboratively and some independently, you will be using systems and models that have been proven to work and be creating and designing new systems and models as Embarc and education continues to evolve.

● Demonstrate a high level and ability to creatively problem solve and lead with a solution-oriented mindset in order to continuously propel the work forward
● Reciprocally work with other members across the programming team to determine experiences for students; creatively problem solve based on schools’ needs/wants and Embarc capacity to develop a scope and sequence of Embarc programming at each school.
● Contribute to the development of the programming team by sharing learnings, practices, and successes across school models.
● Cultivate a healthy working relationship with Embarc teammates across departments to utilize the assets of each team member in a way that creates the most impactful programming for students.

SKILLS, EXPERIENCES, AND COMPETENCIES:

● A deep belief that all students can succeed and should be given the opportunities and access to do so
● An understanding of alternative forms of education and the missed opportunities that exist within the current standard of education systems for underserved youth
● Prefered to have the qualifications of a teacher as prescribed by the state of Illinois
● Hold at least a Bachelor’s Degree in Education or related field from an accredited college or university
● Have knowledge and a deep belief in the importance of social-emotional learning as a key lever of growth
● Have previous experience/knowledge of curriculum implementation, standards alignment, and data analysis
● Have at least five (5) years of successful teaching, coaching, administrative, and/or supervisory experience in youth facing educational space
● An extremely high level of personal responsibility with exceptional goal orientation and a proven track record of success
● Experience executing projects to meet and exceed ambitious goals
● Meticulous attention to detail, record keeping, and organizational skills with an ability to manage multiple tasks
● An ability to anticipate project needs, discern work priorities, and meet deadlines with little supervision
● Exceptional electronic, oral, and written communication skills and the ability to provide constructive feedback
● Familiarity with Google Calendar, Google Docs, Google Spreadsheet, Word, Zoom, and PowerPoint
● The ability to work with a variety of people with different backgrounds and experiences
● A willingness to work occasional nights and weekends

Other Requirements

● Experiential Education Coaches are required to make off-site visits to Embarc’s various school and experience sites. With this in mind, it is preferred for the Coach to have his/her/their own car or comparable means of transportation and a valid driver’s license and insurance. Embarc does currently reimburse for some travel related expenses.
